BERITA RUMAH KIDS HAPPY NEW YEAR!

Happy New Year from Rumah K.I.D.S

Dear Friends and Supporters,

As we welcome the New Year, we reflect on the incredible journey we've had over the past year and look forward to the exciting opportunities that lie ahead. Your unwavering support has been the cornerstone of our success, and we are immensely grateful for your generosity and kindness.

We are truly fortunate to have board members who go above and beyond to make a positive impact. Your generosity and kindness have created a nurturing environment where the children can thrive and dream big. Your commitment, guidance, and companionship brought immense joy and hope to their hearts.

We had a successful “Night of Hope” charity dinner on 10 November at the Wyndham Grand Bangsar. The evening was filled with warmth, generosity, and a strong sense of community. We were honored to have over 500 guests in attendance, including supporters, family and friends. The atmosphere was vibrant, food was good and performance was great! Thanks to all who supported the dinner, we raised a net amount of RM150,000 for our children.

Welcoming speech by Mr. Panir, Chairman of Rumah KIDS.

Full house!

When the USJ boys home performed their dance, they took the stage by storm!

Dance by the Klang Girls Home

The children performed a dance to the well-known song "Baby Shark."

Our children's canvas painting was a hit.

Christmas at Rumah KIDS!

We want to thank you for your generous Christmas gift to the children this year. Your kindness and thoughtfulness have brought immense joy and smiles to their faces during this festive season.

Year-End holiday! Children went to a variety of places. Some went places with our staff, and some with generous donors. Wonderful adventure.

VISION 2030

We have a new vision towards academic excellence and want to aim for our children to at least have a diploma or bachelor's degree. In keeping with this vision, we have created a fund for higher education, and we have also engaged private tutors to help the children excel in their studies.

Private tuition is essential because the children come to us from broken homes and some have never attended school. Others have come from homes with no focus on education so we have to bring them up to speed otherwise they will be left behind permanently in school.

We have managed to continue operations because of kind-hearted friends like yourself. We are grateful to our team of dedicated staff caring for our children 24/7. Above all, we thank the Lord Jesus Christ for faithfully providing our needs.

Thank you for being a donor, volunteer or just a friend of Rumah KIDS. Our home has helped more than 300 children over the last thirty-two years. The children come from broken homes and most have been abandoned. We are their family.
