BLOOMING THROUGH ACTIVITIES

BLOOMING THROUGH ACTIVITIES

At Rumah K.I.D.S., we believe every child deserves the chance to flourish in all areas of life.

That's why we love involving our children in a wide variety of activities—educational, recreational, creative, and spiritual.

From classroom learning to outdoor play, from team-building exercises to community outings, each experience is designed to nurture their talents, build confidence, and spark joy.

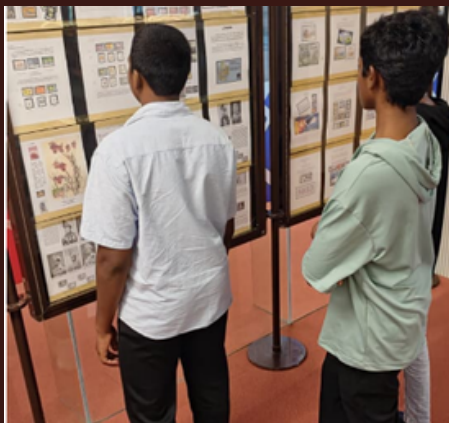

BRACELET MAKING CLASS

Our girls had the joy of learning a new skill when two kind volunteers came to teach them how to make bracelets from colorful beads. The session was filled with laughter, creativity, and excitement as each child carefully threaded beads to design her own unique piece.
